

Cherry Lake Lodge

at Morgan-Monroe State Forest

DESCRIPTION

Cherry Lake Lodge is a newly renovated historic woodland cabin with all the comforts of home. This unique retreat has its origins as a duty station for researchers when the State Forest was part of the Northeast Forest Experimental Station in the 1930's.

The lodge's large elevated back porch overlooks acres of natural beauty--a great escape from the hustle and bustle of daily life. Watch for deer, wild turkey and forest wildlife as you relax on the expansive deck and enjoy the comfort of your own woodland retreat.

The nearby 3 Lakes Trail and Mason Ridge Trail offers 10 and 3 mile hiking opportunities. The 2 acre Cherry Lake is a short stroll away and a great spot for a picnic or throwing out a fishing line from the gentle, manicured shoreline.

Cherry Lake Lodge was completely renovated in 2013. It features 2 bedrooms, 2 bathrooms and pull-out sleeper sofa in the great room. Comfortably sleeps up to 6. (queen bed in bedroom #1; queen bed in bedroom #2; sleeper sofa in great room)

The improved floor plan features a new kitchen, adjoining dining area, great room with fireplace and wide deck across the entire back of the house overlooking the surrounding woods.

Only 45 miles from Indianapolis, 30 minutes from Bloomington and 2 ½ hours from Louisville. Cherry Lake Lodge is an ideal location and 1-of-a-kind get away for small retreats and families.
